**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that Mr. Rahul Rawat was employed with SS (Engineers & Contractors) as a Junior Associate Developer from August 2023 to August 2024.

During his tenure, Rahul worked on our internal Data Dashboards and Analytics platform and Employee Portals, building UI features and Playwright end-to-end tests. He also contributed to a legacy application modernization project for a logistics client, porting routes to a new framework within an existing module federation setup, with no production incidents during rollout.

Rahul was reliable, took ownership of his work, and collaborated well with the team. We wish him continued success in his career.

Sincerely,

M/s SATENDRA SINGH
